

Welcome

To Your LifeStyle Spending Account

HOW IT WORKS

This benefit is not insurance but a spending account that reimburses you for certain **wellness** expenses. This means you pay for the expenses first, and then submit receipts to us, and we process them on behalf of your company.

RECEIPT REQUIREMENTS

To claim lifestyle expenses you must submit the detailed invoice showing who the expense is for, what is being purchased, purchase date, total cost, and the official confirmation of payment including payment date.

The Lifestyle Spending Account (LSA) is reimbursed by the date the payment is made for each expense.

If you haven't logged in or set up a password to your National HealthClaim Account, you can do that two ways. Either download our mobile app ClaimSnap or visit www.nationalhealthclaim.com to log in.

MOBILE CLAIMING

- ✓ ClaimSnap, our mobile app, allows you to submit receipts by taking a picture on your Smart device. Take a separate photo of each receipt (avoid grouping receipts), and take as many photos as needed to support your claim. If you need to include a note in your claim, you can write on the receipt before taking a picture.
- ✓ Download the app: For iOS (iPhone, iPad): Go to the Apple App Store and search "ClaimSnap." For Android: Go to the Google Play Store and search "ClaimSnap"

Or, simply click the relevant icon below on your smartphone device:

- ✓ This is the easiest way to make a claim. If you don't wish to use the mobile app, claims can also be uploaded online.
